## Quotation Notes

<b>Payment Terms</b>	30% advance, balance before shipment or as agreed.
<b>Stock Logic</b>	Available stock and reserved quantities should come from the live inventory module in the full system.
<b>WhatsApp Ready</b>	This PDF can be shared through WhatsApp Business API as an approved workflow in Phase 2.
<b>Multilingual Ready</b>	Product content can be stored in English, Dutch, and Arabic fields for future catalog generation.

This PDF is a short proof-of-concept sample. Final styling, product fields, pricing rules, multilingual content, and approval flows would be refined during Phase 1 discovery.
